

Self REFLECTIONS

grounded in care, depth and clinical integrity

WHO WE ARE

Self Reflections is a Wollongong-based clinic providing psychology and dietetic services for children, adolescents, and adults. Our team includes Psychologists, Clinical Psychologists and Accredited Practising Dietitians with a range of clinical interests and experience. We work with both straightforward and complex presentations and aim to match each referral with the clinician best suited to the client's needs.

The following pages outline each clinician's areas of interest, experience and exclusions to assist with appropriate referrals and allocation. We welcome referrals under Mental Health Treatment Plans, Eating Disorder Management Plans, NDIS (self or plan managed), Chronic Disease Management Plans and CTP (SIRA).

Referrals can be sent via:

Email: info@selfreflections.com.au

Fax: 02 4288 2530

Clients may also book directly online or by calling 02 4288 2540

EXCLUSIONS

Our exclusion criteria includes:

- Active Psychosis
- Eating Disorders requiring hospitalisation
- Perpetrators of Domestic Violence or Sexual Assault
- Forensics/medico/legal reports
- Dementia or Alzheimers
- Significant Intellectual Disabilities
- Children younger than 2 years old with Adults older than 80 years old
